

Shreya Nair

Graphic Designer | Helping teams scale

Professional with 8.6+ years of experience. I'm a marketing manager with substantial experience in cross-functional collaboration, stakeholder management, and execution. Lately I've been curious about how tools could augment my work — I've experimented with ChatGPT and a few other tools for productivity and content creation, and I think the space is exciting. Open to roles where I can apply my domain expertise alongside emerging AI capabilities.

Experience:

Graphic Designer at Wipro

2023-11-09 to None

Business analyst at a consulting firm, working primarily with retail and CPG clients. Conducted business diagnostics, process re-engineering work, and digital transformation strategy projects. Strong on stakeholder management, structured problem-solving, and the typical consulting toolkit (slide-craft, Excel modeling, external communication). Recent project work involved AI-strategy advisory but my own technical depth in AI is limited.

Project Manager at Dunder Mifflin

2020-07-20 to 2023-11-02

Senior accounting role at a mid-sized company — month-end close, financial reporting, statutory compliance (GAAP / Ind-AS), and tax filings. Owned the GL, fixed-asset register, and the audit-readiness function. Managed a team of 3 staff accountants. Built strong process discipline around the close cycle, reducing close time from 10 days to 7 over the last two years.

Content Writer at Acme Corp

2018-01-02 to 2020-07-20

Enterprise sales of cloud software solutions into the mid-market segment. Carried a \$1.8M ARR quota and consistently delivered against it across the last three years. Owned the full sales cycle: prospecting, discovery, technical evaluation (with SE support), commercial negotiation, and close. Strong on consultative selling for technical buyers; comfortable engaging with both engineering and finance stakeholders.
