

Dev Vora

Customer Support | Helping teams scale

Professional with 1.6+ years of experience. I've spent my career in marketing manager roles, mostly focus driving outcomes through process, people, and customer relationships. Lately I've been curious about how tools could augment my work — I've experimented with ChatGPT and a few other tools for productivity and content creation, and I think the space is exciting. Open to roles where I can apply my domain expertise alongside emerging AI capabilities.

Experience:

Customer Support at Globex Inc

2024-11-03 to None

Enterprise sales of cloud software solutions into the mid-market segment. Carried a \$1.8M ARR quota and consistently delivered against it across the last three years. Owned the full sales cycle: prospecting, discovery, technical evaluation (with SE support), commercial negotiation, and close. Strong on consultative selling for technical buyers; comfortable engaging with both engineering and finance stakeholders.

Skills:

SQL, Spring Boot, Accounting, Rust, Redux, SAP, Weights & Biases, REST APIs, Spark
