Civil Engineer | Driving business outcomes

Professional with 1.1+ years of experience. I'm a marketing manager with substantial experience in cross-functional collaboration, stakeholder management, and execution. Lately I've been curious about how tools could augment my work — I've experimented with ChatGPT and a few other tools for productivity and content creation, and I think the space is exciting. Open to roles where I can apply my domain expertise alongside emerging AI capabilities.

Experience:

Civil Engineer at Globex Inc

2025-05-02 to None

Customer support team lead at a SaaS product. Managed a team of 8 support agents handling tier-1 and tier-2 tickets; owned the escalation process to engineering and the customer-feedback loop to product. Built out support knowledge base and the agent training program. Strong on the people-management side and the process side; lighter on technical depth beyond product expertise.

Skills:

React, Redux, Vue.js, Six Sigma, Spring Boot, Spark, Data Pipelines, GCP, Flask, Snowflake
